Hustle City Mr. Hayden Mark Greene

New York City is the land of opportunity. It's also the testing ground for anyone trying to accomplish something. Everyone has heard the song lyrics, "If I can make it here, I'll make it...ANYWHERE!" What the song fails to reference is exactly WHAT people actually do to make it in this city. What the song doesn't speak about is just how much NYers hustle just to make ends meet. This book looks at a special kind of hustlers found in the streets of New York City.
