The Quilt: Unravelled. An unforgettable story of romance, loss and love. Rochelle Carlton

The worst day in Joanne Kyle's life began with her naked fiancé fading from sight in the rear-view mirror of her car. It ended with news so devastating she collapsed on the floor of an airport toilet. In a heartbeat everything in her life was different. Joanne transitioned from career to caregiver and began an emotional journey that would change her forever.

Paul Clarke looks like he could have stepped out of the pages of a women's magazine. A web of deceit has forced him to settle on his family's high-country farm, and trapped him in an unhappy marriage. When Paul uncovered the truth, his life was thrown into turmoil.

No one could predict the tragedy that makes Joanne question everything she once believed, and brings Paul Clarke into her life.
