American Sailing Ships Coloring Book (Dover History Coloring Book)

Peter F. Copeland

American Sailing Ships Coloring Book (Dover History Coloring Book) Peter F. Copeland

The magnificent age of sail lives again in this distinctive collection of ready-to-color American sailing ships. In a pictorial display spanning over 200 years of maritime history, artist and avid sailor Peter Copeland meticulously depicts vessels ranging from small, shallow-draft topsail schooners of Colonial times and early sail-and-steam powered ships to modern reconstructions of classic 17th-century vessels.

Forty-five exciting, ready-to-color illustrations include the privateer frigate *Bethel* (1748), a colonial sloop (1760), the *Andrew Doria* (1776), the U.S.S. *Constitution* (1812), the paddle steamer *Savannah* (1819), the clipper ship *Helena* (1849), a Nantucket whaler (1850), and more.

Complementing well-researched and accurately rendered drawings are informative captions which describe each ship—dates, types of vessel, construction, historical background, distinguishing characteristics, brief anecdotes, and more.

Educational and entertaining, this impressive, fact-filled volume will delight colorists of all ages, students, teachers, as well as anyone captivated by the romance and adventure of the high seas.

Original Dover (1987) publication.
