# Diagnosis: Terminal

## Diagnosis: Terminal

From alternative medicine to murder, F.Paul Wilson's *Diagnosis: Terminal* reveals terrors surgical, psychological, and institutional. In stark, operating-room light these fourteen writers take scalpel and pen to the body and soul of humanity as it lies stretched out on the stainless-steel page. Rendered in laser-sharp detail, these incisive narrative reveal our needs, our hurts, our desires, and our fears.

This unsettling anthology submerges us in the near-witchcraft methods of a nineteenth abortionist and awes us with a post-apocalypse future where autistic mutants telepathically remove pain. But more than anything, it gives us frightening real glimpses of ourselves and a nightmarish medical future that may be here in five minutes--*if it's not already*.

Featuring stories by F. Paul Wilson, Bill Pronzini, Chet Williamson, Matthew Costello, Billie Sue Mosiman, Steve Spruill, Richard Lee Byers, Thomas F. Monteleone, Tina L.Jens, Ridley Pearson, Jack Nimersheim, Brunch H. Rogers, Ed Gorman, and Karl Edward Wagner.
