The Alpha King (Wolves of the Five Tribes Book 2) KA Taylor

THIS VOLUME IS A BUNDLED COLLECTION CONTAINING BOTH **THE FIRST ALPHA** (2013) AND **THE ALPHA KING** (2016).

~ THE ALPHA KING ~

Thomas "Hunter" Smith doesn't need friends, and he doesn't need love. Both would just slow him down. No connections. Nobody who can't be cast off in an instant. That's the only way a lone wolf like him can survive the brutal war in the east.

But he dreams of more.

When Thomas finds a ticket out he grabs it with both hands. A simple slip of paper is all he needs to get him to the promised land, where rumor has it the shifters live in peace. Finally, after a century of bloodshed he'll be able to live out the rest of his life without fear. No more running. No more fighting. No more killing. Maybe - *just maybe* - there will finally be time to find love.

In just two days, on April 10th 1912, the shifter Thomas Smith will escape to America aboard the RMS Titanic.

In just two days, his worries will finally be over...

The Alpha King is a prequel to the 2013 international bestseller The First Alpha, included within this eBook.

~ THE FIRST ALPHA ~

Adam has waited an eternity for his mate. After three thousand years of searching he's almost lost hope that he'll ever find her... almost convinced himself that God has forsaken him.

Cassie is miserable. At just 23 the buxom, beautiful werewolf has found herself caught up in her mother's Machiavellian power struggles, forced into an arranged marriage with the cruel, violent alpha of the Ironclaws, Lucius. When the Long Night arrives Cassie will be his property, to do with as he pleases.

Imprisoned in Lucius' summer home with Megan, a gutter-minded 400 year old teenager, and Rutherford, a senile housekeeper who can't remember where he left his trousers, Cassie has resigned herself to her fate. She'd never dare go against her mother, and to reject Lucius would lead the weak Darkfangs into war against the mighty Ironclaws. Cassie knows she has no choice but to sacrifice her happiness for her tribe...

... And then she picks up a scent on the breeze.

The First Alpha is a tale of love against all odds; of betrayal, scheming and intrigue, and of two lost souls linked together across time.
