"Dear Reader, I have never considered myself as much a writer as an entertainer. I've sincerely felt that my job was to entertain you the reader in such a manner that when you reached the end of the book you felt that you had got your money's worth. When I created Dirk Pitt, Al Giordino and all their friends in the NUMA books and the characters in the other series I had no idea how many people I would eventually reach around the world. Even now I cannot express anything other than humility for being lucky enough to do so. All of the characters are a figment of my imagination except for Al Giordino. He was based on an old Air Force buddy of mine who is still a good friend after almost fifty-five years. My son Dirk and I dedicate ourselves to maintaining the quality and creativity for your reading pleasure. We believe you will find the novels a great summer reading escape and an everyday, anyday adventure. -Clive"
