Kenya the Beloved: A Message to My People J.M. Ombati Simon

BOOK DESCRIPTION Kenya the Beloved is a book written with love. The book is about one man's love for his country, Kenya. It is about his vision and desire to see justice, peace and freedom in his country. In this book, the author, (Job Ombati) tries to remind his fellow countrymen where they have come from. He tries to tell a story of their conquest of injustice and their development and progress that they made since independence. As he takes you from the 'The Day Before', he shows you how peaceful the country was before the arrival of the colonialist. The book describes well how Kenyan people fought the colonialist and won their freedom. It tells who was who and how they participated in the struggle. Kenya The Beloved tells how white men came to Kenya as missionaries (Visitors) and turned to be colonialists. It tells how hospitable Kenyans were to have welcomed the Visitors, without knowing their hidden agenda. After realizing that the Visitors were for no good, the Africans united against him and started a revolt. These revolt did not take one face, as many might think. It took different people with different approaches to dismantle colonialism completely from Kenya. This is an important point that the book raises because many other books have been written pointing to only one movement called Mau Mau as being the only revolt that was used to oust colonialist. Kenya The Beloved says that that is not entirely true. The book also tells what was at stake and why the Africans of Kenya had to fight. In wildlife, the book tells that animals in Kenya were plenty and beautiful before and after the colonialist. He then tells how even these animals fought for freedom like every other Kenyans. The book illustrates how well and peaceful the country was before December 27, 2007 when it says 'things fell apart'. Job does not leave you there stranded as to what to do next, he gives you hope. Job tells how things can be turned around for the better of all the people. He says that eve
