## **PUB QUIZ Q&A: 1,000 RANDOM QUESTIONS: "Tantalizing & Terrific Trivia" JACK WEST**

PUB QUIZ Q&A - is a collection of 1,000 interesting trivia questions and answers accumulated from years in my trivial pursuit of reading biographies, history and references books as well as searching the Internet and paying attention to the news and generally learning about all I can. Maybe we're similar in that way? Or maybe you belong to a pub or tavern trivia team?

If you were trekking and a snake came slithering in your direction it might be good to know that just 12.5% of snakes are of the poisonous variety

Just what do think history would have made of a fearsome Native American warrior Named "Jumping Badger?" It's a good think he changed it to "Sitting Bull."

In the automobile world what is so special about Bowling Green, Kentucky? It's the only place Chevrolet Corvettes are built.

On average how long does an American medical doctor spend with a patient per office visit? Seven brief minutes.

I truly believe trivia is an important and overlooked area in our education. It's brain training for filling in the small details of everything else. After all you're smarter than you think. Some people like their trivia in the Q&A quiz format and I made PUB QUIZ Q&A for them.
