The Last Victim Kevin O'Brien **A Killer's Masterpiece**

At first, Bridget Corrigan's work with her twin brother's senatorial campaign is an exciting distraction from the trauma of her messy divorce. But everything changes when Bridget is reminded of the secret she and Brad have been keeping since high school, a secret that could destroy the campaign--and their lives. Someone else knows what they did. Someone who's been picking off the members of their little group one by one. . .

Will Be Painted

His job keeps him busy, but he loves every moment of it. Following them, photographing them, and immortalizing them on canvas. He knows exactly how they'll look when the last breath is drawn, because he has planned out their deaths with perfect precision. And the best is yet to come: Bridget Corrigan. He has very special plans for her portrait--she just doesn't know it yet. . .

In Cold Blood

With every "accident" that befalls the members of her old clique, Bridget feels danger edging closer to home. Yet uncovering the truth about the killer would mean revealing what really happened that horrible night years ago. She'll have to find someone to trust--the question is, who? Because turning to the wrong person could be the last mistake she ever makes. . .
