As a college student exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country.
