## ICSID Reports (International Convention on the Settlement of Investment Disputes Reports) (Volume 15)

The ICSID Reports provide the only comprehensive published collection of arbitral awards and decisions given under the auspices of the World Bank's International Centre for the Settlement of Investment Disputes or pursuant to other multilateral or bilateral investment treaties, including in particular the North American Free Trade Agreement (NAFTA) and the Energy Charter Treaty (ECT). These decisions, which are fully indexed, make an important contribution to the growing body of jurisprudence on international investment. The ICSID Reports are an invaluable tool for practitioners and scholars working in the field of international commercial arbitration or advising foreign investors. Volume 15 includes the decision on jurisdiction and award in *Duke Energy v. Peru*, the decision on jurisdiction over the counterclaim, partial award and Swiss decision in *Saluka v. Czech Republic*, and the amended ICSID Arbitration Rules and ICSID (Additional Facility) Arbitration Rules that came into effect on 10 April 2006.
