Successful presentations are the result of careful planning and meticulous attention to detail. They are delivered by people who understand communication and who know their subject well - by people who understand what learning is and who know, above all, that learning should be fun. This is a reference for anyone involved in adult education. Doug Malouf's shares his wealth of experience and renowned skills in adult education to make your sessions come alive. You will see the involvement of your audience, feel their energy and hear their response. With a new chapter on e-learning and more advice on encouraging and building participation, this updated second edition will keep your training skills up to date. Doug shows you how to: plan well-designed and structured sessions; appreciate the process of adult learning; use visuals effectively; engage your audience in active and enjoyable participation; use ice-breakers to maximum effect; build your participants' skills; add pace to your presentations; design effective handouts; and evaluate your sessions.
