"I'm not sure how some in the Church have found a way to equate business and profitability to something sinful, but it couldn't be further from the truth. God is creative, and He has given us the ability to create so that we may prosper. After all, it takes resources to responsibly care for yourself and your family, let alone feed the hungry and clothe the naked. In this book, Kevin Cullis shares what the Bible really says about doing business, making money and making it all work for God's glory." Joel Comm, New York Times Best-Selling Author
