The second episode in the complete, four-part, paranormal werewolf erotic romance serial, **Isabel and The Wolf**.

She's looking for a dominant man. He's looking for a mate. When their very different worlds collide, can they find what they need in each other?

Isabel's first encounter with Peter has left her crazy with desire – as well as frustration.

A second meeting promises the completion she so badly needs. Before this can happen though, her submissive desires are put to the test.

Signing her autonomy away to a man who makes her feel like a hunted rabbit could be the stupidest thing she's ever done. But the reward is a glimpse into Peter's wild life, deep in the New Mexican wilderness – and the most intense passion of her life.

Just as Isabel's heart begins to open to the fascinatingly free-spirited man, he slips out of her grasp, reminding her that he's as enigmatic as ever.
