**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

### *Illustrates communication's role in human relationships*

This title introduces students to interpersonal communication principles and theories through the use of commonplace experiences, such as relationships with roommates, friends and co-workers. The book aims to motivate students to critically think about their own relational communication; it also peaks student interest in social science research.

MySearchLab is a part of the Knapp/Vangelisti/Caughlin program. Research and writing tools, including access to academic journals, help students explore human communication in even greater depth. To provide students with flexibility, students can download the eText to a tablet using the free Pearson eText app.
