Do You Know the Five Step Process for Turning Your Dreams Into Reality?

Many of us are constantly **trying to unlock the secrets of success**. But, most of the time we are looking in all the wrong places. There are thousands of successful people in all walks of life.

People who have figured out exactly **what it takes to transform ideas into wealth and achievement**.

Author Patrick Rahn has examined the life and teachings of some of the most successful people and discovered they all use a similar five step process.

This book will take you step by step through the same process everyone from **Oprah, Tony Robbins, Brian Tracy to Michael Jordan** has used to reach the tops of their fields. Along the way you will develop important success building skills.

You will also see how successful people have applied these same lessons in their own lives.

Inside this book you will learn:

- The power of **proper goal setting**
- How to **set yourself up for success** before you even get started
- What it takes to **become a problem solving genius**
- How to **select the right goal for you**
- The best way to **develop an action plan**
- How to get **from planning to action**
- And Much More

If you are ready to **make a change in your life** and leave frustration and failure behind, you need this book right away. The sooner you start applying the principles of **Mindset of Success in your own life, the sooner you will finally find the success you have always dreamed of.**
