Social Policy in Australia: Understanding for Action

Social Policy in Australia: Understanding for Action

Social Policy in Australia guides students in how to analyze the impacts of social policy, and how to develop and advocate for better social policy in the future. Taking a critical approach, and placing their analysis of social policy in an international context, the authors provide a framework for understanding the actions, roles and relationships of the key players that influence the decision-making process. The new edition of this well-respected text has been fully revised and updated.
