**The Torture Garden (The New Traveller's Companion Series)** Octave Mirbeau

Following the twin trails of desire and depravity to a shocking, sadistic paradise - a garden in China where torture is practiced as an art form - a dissolute Frenchman discovers the true depths of degradation beyond his prior bourgeois imaginings. Entranced by a resolute Englishwoman whose capacity for debauchery knows no bounds, he capitulates to her every whim amid an ecstatic yet tormenting incursion of visions, scents, caresses, pleasures, horrors, and fantastic atrocities.
