**A novel written by a veteran of the war in Iraq, *The Yellow Birds* is the harrowing story of two young soldiers trying to stay alive.**

"The war tried to kill us in the spring." So begins this powerful account of friendship and loss. In Al Tifar, Iraq, twenty-one-year old Private Bartle and eighteen-year-old Private Murphy cling to life as their platoon launches a bloody battle for the city. Bound together since basic training when Bartle makes a promise to bring Murphy safely home, the two have been dropped into a war neither is prepared for.

In the endless days that follow, the two young soldiers do everything to protect each other from the forces that press in on every side: the insurgents, physical fatigue, and the mental stress that comes from constant danger. As reality begins to blur into a hazy nightmare, Murphy becomes increasingly unmoored from the world around him and Bartle takes actions he could never have imagined.

With profound emotional insight, especially into the effects of a hidden war on mothers and families at home, *The Yellow Birds* is a groundbreaking novel that is destined to become a classic.
