The landscape of copyright law has changed dramatically since the last edition of **Understanding Copyright Law** in 2005. During the past several years both the Congress and the courts have tried to adapt copyright law to the new, interactive (internet 2.0) digital technologies, such as You-Tube, and Facebook, and to efforts like the Google Book Search Project.

This new 5th edition of **Understanding Copyright Law** has incorporated all the recent case law and legislative developments, focusing on the challenges of the digital age. Written with clarity and precision, this 5th edition of **Understanding Copyright Law** remains the most accessible and comprehensive text for students of copyright law.
