Embrace Freedom: Restore the Constitution Leslie Bates

EMBRACE FREEDOM argues that a loose construction of the Constitution has allowed the government to encroach on our liberties. We need to return to the principles of the Constitution, which will leave the federal government a smaller but healthier fraction of its current size. Americans are not powerless. Once they summon the courage to act, they can secure freedom NOW and for all future generations. EMBRACE FREEDOM arms the reader with freedom's and liberty's principles from the greatest minds throughout history. We live in dangerous times because the majority have remained silent too long allowing our elected representatives to threaten our lives, liberty, property, and pursuit of happiness. The solution is to neutralize the threat facing us from our out of control government by embracing freedom and restoring the Constitution. Let's try FREEDOM for a change!
