**[(Styles of Radical Will)] [Author: Susan Sontag] published on (July, 2009)** Susan Sontag

This collection of essays contains some of the most important pieces of criticism of the twentieth century, including the classics "The Aesthetics of Silence", a brilliant account of language, thought and consciousness, and "Trip to Hanoi", written during the Vietnam War. Here too is an excoriating account of America's identity and future, a robust and surprising discussion of pornography and other richly rewarding writings on art, film, literature and politics.
