Hello, I'm "beardholicer" and I'm not a terrorist!

I became a bearded man since I was a teenager. I remember that I had the desire to wear hair on the face when I was 15-16 years old.

Beard that time seemed to me the main signature that I am a man.

Also, my friends and I followed heavy metal and beard was an essential attribute to be a real fan. I have tried different beard styles. I will not hide that girls preferred guys with a beard.

So, hair on the face helped me more than once to hook up sexy ladies. What? You asked how?!

You wasted time if you still didn't try my tricks. Be patient, I will tell you details later.
