The Velvet Rope

Brenda L. Thomas

The Velvet Rope Brenda L. Thomas

Life is a party.

When Tiffany Johnson, a street-smart publicist at Platinum Images, decides to launch Teaz Entertainment and open a club, she's setting out to be the queen of Philly nightlife. Keeping it in the family, she partners up with her fiancé, Malik, and her sister, Kamille, and counts on her friend DJ Essence to bring the noise. Investors seem to be lining up and the buzz is gettin' loud.

Be careful who you invite.

When Tiffany finds out that Malik and Kamille had an affair -- and that it might not be the only secret they share -- she spirals downward and gets swept up in two unexpectedly erotic affairs of her own. Awakening to a new kind of sexual freedom and reeling from betrayal, Tiffany is raw and vulnerable. So vulnerable that she doesn't realize that her new lovers are involved in more than kinky sex, and that they might take her new club down with them...unless she takes them down first.

From reader reviews:

Jetta Butler:

Within other case, little persons like to read book The Velvet Rope. You can choose the best book if you'd prefer reading a book. As long as we know about how is important a book The Velvet Rope. You can add information and of course you can around the world with a book. Absolutely right, since from book you can understand everything! From your country until eventually foreign or abroad you will end up known. About simple thing until wonderful thing you could know that. In this era, we could open a book or even searching by internet device. It is called e-book. You can use it when you feel weary to go to the library. Let's examine.

Scott Seward:

Here thing why this particular The Velvet Rope are different and trusted to be yours. First of all examining a book is good but it really depends in the content than it which is the content is as delightful as food or not. The Velvet Rope giving you information deeper as different ways, you can find any book out there but there is no publication that similar with The Velvet Rope. It gives you thrill reading journey, its open up your own personal eyes about the thing which happened in the world which is probably can be happened around you. You can actually bring everywhere like in park, café, or even in your approach home by train. Should you be having difficulties in bringing the published book maybe the form of The Velvet Rope in e-book can be your alternate.

Gayle Anderson:

Beside this particular The Velvet Rope in your phone, it might give you a way to get nearer to the new knowledge or facts. The information and the knowledge you can got here is fresh through the oven so don't possibly be worry if you feel like an outdated people live in narrow small town. It is good thing to have The Velvet Rope because this book offers for your requirements readable information. Do you sometimes have book but you rarely get what it's exactly about. Oh come on, that will not end up to happen if you have this inside your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss the idea? Find this book along with read it from now!

Ella Nebel:

Reserve is one of source of knowledge. We can add our understanding from it. Not only for students but also native or citizen need book to know the revise information of year in order to year. As we know those ebooks have many advantages. Beside all of us add our knowledge, also can bring us to around the world. From the book The Velvet Rope we can take more advantage. Don't someone to be creative people? To get creative person must love to read a book. Merely choose the best book that acceptable with your aim. Don't always be doubt to change your life at this time book The Velvet Rope. You can more desirable than now.
