Breve historia de Francisco Franco (Spanish Edition)

José Luis Hernández Garvi

Breve historia de Francisco Franco (Spanish Edition) José Luis Hernández Garvi

Una investigación revolucionaria sobre la vida de Francisco Franco que deja fuera todo postulado ideológico y se centra en el dato riguroso. Es difícil destacar, en la última parte de la vida de Franco, dónde termina la biografía del dictador y dónde comienza la historia de España, van indisolublemente unidas. Es por esto que Breve Historia de Francisco Franco debe realizar un trabajo exhaustivo para contextualizar los hechos más determinantes de la vida de Franco en la historia de nuestro país. La obra recorre su infancia marcada por el Desastre del 98, su adolescencia en la Academia de Infantería de Toledo, su labor bajo el gobierno de la Segunda República, su participación en la Guerra Civil y su polémica labor como dictador en un gobierno que nunca contó con un apoyo suficiente. José Luis Hernández Garvi abandona cualquier presupuesto ideológico porque sólo de ese modo puede presentarse una rigurosa historia de la España de la época. Consulta numerosos documentos y nos descubre datos relevantes junto a otros menos importantes para la historia de España pero que pueden explicar ciertos comportamientos de Franco, como la compleja relación del dictador con su padre y su hermano, la relación con Carmen Polo y el ascenso social que obtuvo gracias a su boda o el enfrentamiento, en la dictadura, de los tecnócratas con los pesos pesados del Movimiento
