Managing Today! (2nd Edition)

Stephen P. Robbins

Managing Today! (2nd Edition) Stephen P. Robbins

This unique, re-engineered book defines and describes the new "paradigm" brought on by recent dramatic changes in the field of management. *Managing Today!* redefines the traditional "functional" approach employed by previous management books to more accurately reflect recent, fundamental changes in the economy and workplace—changes that have significantly reshaped today's managers' jobs. Robbins' balanced approach presents an effective integration of theory and application displayed within a clear, visual design specifically tailored for today's readers. Coverage includes changing issues in today's workplace (risk, privatization, multiple skills, and continual retraining); culture shock; time-management skills; cycle-time reduction and technology transfer; virtual teams; human behavior; leadership; trust building; change management; and more. For human resources professionals, business managers/team leaders, and anyone interested in Organizational Behavior and Business Management.

From reader reviews:

Deanna Stewart:

Reading a e-book tends to be new life style in this era globalization. With looking at you can get a lot of information that will give you benefit in your life. Having book everyone in this world may share their idea. Publications can also inspire a lot of people. Lots of author can inspire their particular reader with their story as well as their experience. Not only the story that share in the ebooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors nowadays always try to improve their expertise in writing, they also doing some analysis before they write to their book. One of them is this Managing Today! (2nd Edition).

Shirley Demers:

Can you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Try and pick one book that you never know the inside because don't ascertain book by its cover may doesn't work at this point is difficult job because you are scared that the inside maybe not as fantastic as in the outside seem likes. Maybe you answer could be Managing Today! (2nd Edition) why because the amazing cover that make you consider with regards to the content will not disappoint you. The inside or content will be fantastic as the outside or even cover. Your reading sixth sense will directly assist you to pick up this book.

Herman Jenkins:

Is it anyone who having spare time after that spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Managing Today! (2nd Edition) can be the respond to, oh how comes? A fresh book you know. You are consequently out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these books have than the others?

Pamela Postma:

Do you like reading a publication? Confuse to looking for your selected book? Or your book had been rare? Why so many question for the book? But virtually any people feel that they enjoy intended for reading. Some people likes reading, not only science book and also novel and Managing Today! (2nd Edition) or maybe others sources were given understanding for you. After you know how the truly great a book, you feel want to read more and more. Science e-book was created for teacher or perhaps students especially. Those ebooks are helping them to put their knowledge. In some other case, beside science guide, any other book likes Managing Today! (2nd Edition) to make your spare time far more colorful. Many types of book like here.
