## **One Last Request** Nat Queen

“The prisoner wishes to sleep in the queen’s bed for his last night.”

All prisoners on death row are permitted one final request. Yet never before has a prisoner been so bold and forward in his request. Queen Asta knows she should refuse, but the throne is a lonely position, and her nights have been cold. When she sees the prisoner, all strapping muscles and bronzed skin, can she still hold on to her resolve? Or will she succumb to the dirty temptation and let a lowly criminal take her in any way he pleases — as per his last request?
