Life goes on. That's what young widow Rose Larrabee tells herself each day as she has to be both mother and father to her two young children, a task that leaves little time for new romance. That's why she's surprised to find the simple, homemade valentine in her mailbox, a paper heart with no signature. It could be a sweet reminder, but for Rose, the red heart has special significance...a link to a secret she shares with two other women...a secret that has just gotten one of them brutally murdered.
