Straight Talk on Leadership: Solving Canada's Business Crisis R. Douglas Williamson

An urgent wake-up call—and radical action plan—for business leaders everywhere

While it focuses primarily on Canadian business, this important book shares valuable insights of benefit to transformational business leaders everywhere. Without sugar coating his message, author R. Douglas Williamson, head of the prestigious consultancy, The Beacon Group, points to complacency, lack of leadership sophistication, and an inward focus as the chief reasons why Canadian companies are at risk of falling behind the rest of the world. Issuing an urgent call to action, Williamson helps leaders understand the four principle challenges facing the modern leader and describes the eight essential leadership competencies required to navigate the future. He provides powerful strategies, tools and techniques for how to reframe thinking about leadership and reform leadership strategies.

- Case Studies from The Beacon Group's wide and diversified client base include The Four Seasons, Scotiabank, Nortel Networks, Research in Motion, The Hudson's Bay Company, Export Development Canada, Holt Renfrew, and many others.
- An impassioned call to action for leaders everywhere combined with practical advice and tools to help leaders take up the responsibility of transformational leadership during a period of unprecedented change and monumental global challenges.
- One of the rare books to focus on Canadian business and business leadership, it explains why that country's competitiveness is in serious jeopardy and what can be done about it.
